Installation Instructions

Part# 28371

Parts List

Driver Nerf Bar-1
Passenger Nerf Bar-1
Hardware Kit-1
Anti skid-1

Always wear appropriate eye protection!

INSTALLATION INSTRUCTIONS

1. Remove the driver side stock rocker cover & sill plate from the cart as shown in Figure 1. Keep the stock sill plate bolts for installing the nerf bars.
2. Using the supplied 5/16 x 1 3/4 bolts, flatwashers, & locknuts install the nerf bar to the rocker of the cart using the stock mounting holes on the side of the rocker panel as shown in Figure 2. **NOTE: Nerf bars are side specific.**
3. Using the stock sill plate bolts mount the top of the nerf bars to the stock sill plate mounting holes as shown in Figure 2.
4. Repeat steps 1-3 for the passenger side of the cart. **NOTE: On some models the gas tank may need removed before installing the side bolts and then re-installed after nerf bar is securely fastened to the cart.**
